

Florence, Italy

We are excited to announce our newest residence and our first European destination - a jewel in the heart of Florence, Italy. It is a stunning penthouse with breathtaking views of the Arno River and the famous Ponte Vecchio. From here, you will take in the city and step right onto cobblestone streets into the Uffizi, Medici Chapels, and stand in awe of Michelangelo's David. Picture yourself enjoying a gelato as you walk past the Duomo on your way home from dinner at Giostra (an Equity Estates recommendation) or an array of fabulous restaurants. Shopping in the open air markets and jewelry stores along the Ponte Vecchio will be at your doorstep. Your Equity Estates personal travel concierge team will arrange for a driver to take you outside of the city to tour the Chianti region where you will enjoy famous Tuscan landscapes including acres of olive trees and wine vineyards or to Sienna or Arezzo to enjoy the fabulous antique fairs. Your local host will suggest tours of museums, wineries, cooking classes or horseback riding tours along the countryside and suggest the best place to grab an espresso in the piazza.

Beginning today, you can make reservations for this large 2 bedroom penthouse for travel starting April 1, 2010. [Click here to visit the website.](#)
