Equity Estates

Atlanta, Georgia

Jump To: » [Reviews & Analysis](#) » [Website](#) » [All](#)

Homes

Equity Estates was started because the founders recognized the appeal of owning and enjoying vacation homes around the world. By structuring the membership as an equity interest, its members are owners of the portfolio of luxury vacation homes acquired by the fund. Owners benefit from the 5 star concierge supported use of these phenomenal properties and in any appreciation of the real estate when it is sold.

Current Analysis

Travel in Luxury, but Stay Green

A certain Muppet once lamented that it's not easy being green, but these days it's getting easier and easier to make travel choices that positively impact the environment. Even when we're talking luxury travel. As the popularity of ecotourism continues to grow, private jet companies and destination clubs are feeling ...

What Is a Vacation Club?

Untangling the Luxury Home Name Game
There's no shortage of uninspired lingo when talking about luxury travel options, but which terms really matter for consumers? For starters, vacation club is a word that some analysts use to refer to destination clubs, the fastest growing segment of the luxury travel market. Vacation club ... [Read Full Article](#) »

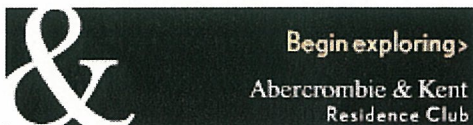

Comparing Second Home Alternatives

Destination clubs, condo hotels, and fractional ownership private residence clubs will be attractive to different types of travelers. When deciding what is right for you, consider what your needs are; How big of a group do you travel with? How important is the variety of locations and ... [Read Full Article](#) »

Private Jets, Destination Clubs, Fractionals: 'Act Fast! Supplies Are Limited!'

Luxury goods marketers spend a good deal of time honing their pitch; positioning their goods and services in a restrained and dignified manner that resonates with their clientele. But the pressure of "making the numbers" and the gut instincts of third-party sales representatives can impinge on that lofty image. It's an ... [Read Full Article](#) »
